IN RE: [illegible]
[illegible]

04 SEP 27 PM 10

I, Corey L. Harris, want to seek funding for the company I formed and managed for my children and myself — CH's Service Provider, the company that was formed as a home-based business, located at 5842 Georgetown Drive, Erie, PA 16509 — January of 2000 to present.

CH's Service Provider was formed by Corey L. Harris, Sr. The company name was based in part on the Carriage Hill Townhouses where I lived for two and one half years. The company's name reflects both my first and last names (Corey Harris) as well as Carriage Hill Townhouses — *CH's Service Provider*, so that the community where I live can work from their homes, 5842 Georgetown Drive, Erie, PA 16509.

I sought to remove myself from the Food Stamps Program and to present my portfolio to the Workforce Staff and the Erie County Assistance Office, along with Labor Industry/ Career Link.

Company (CH's Service Provider) seeks total distributions to shareholders and also money with property distributions as well as distribution of stock and their stock rights. Company also seeks to have funds transferred to Corey L. Harris who is doing business as CH's Service Provider.

Complaint Attachment ***“Prose”***

Paragraph 1

Complaint filed by Corey L. Harris, Plaintiff, Erie County, PA, P.O. Box 3618 16508, CH's Service Provider, Owner. Complaint filed on the grounds of Civil Rights Violations (also to include violations committed by 3rd party insurance brokers). Reference Fair Labor Standards Act (710); Labor Management Relations (720); Labor Management Reporting and Disclosure Act (730); and other Civil Rights (440) including 130, 140, 150, 153, 195, 355, 370, 190, 840, 430, 892, 895, 444, 320, 740, 790, 791, 820, 220, 442, 550, 380, 385, and 690.

Paragraph 1A

The reason for filing this complaint is to seek property rights and all grants given to all said defendants to operate such program of CH's Service Provider without the trade maker involvement that was to be performed as a business plan development of Corey Harris doing business as manager and sales representative for CH's Service Provider, back in April, 2000. That such plan was done without my knowledge of said program created by said defendant to whom I presented the company's portfolio, trademark to the above complaints. Plaintiff seeks total control of all property rights of Job Access Program ran through GECAC Workforce Program. To have total workforce given to the true trade maker of such program to Corey L. Harris, Manager and Owner of CH's Service Provider Company from April of 2000 to present.

Plaintiff requests the Court to stop defendant of running such program under Job Access and to have such program run under CH's Service Provider providing services based upon charitable contributions, which was part of the original business plan.

Company looks to seek divided received deductions from said defendants from tax year 2001 to present. (Forms 1120, and 1120-A)

Paragraph 2

Plaintiff wishes to recover Grant, which was awarded to GECAC Workforce Program by the U.S. Department of Transportation (DOT), Federal Transit Administration (FTA), and the Pennsylvania Department of Community and Economic development (DCED).

Paragraph 5 S.P. Black & Associates, Inc. (Insurance)

Defendants, using 09/11/01 as an excuse, made it impossible for Plaintiff to obtain premium liability that is necessary for Plaintiff's transportation service, CH's Service Provider, to operate 24/7 to and from work transportation to accommodate accessible and affordable transportation to the inner city community.

Paragraph 6 Erie County Assistance Office/Career Link

The Defendants committed violations of the Fair Labor Act, Fair Assistant Act/150% Poverty Level.

Paragraph 7

The program was designed to transport workers who qualify from several centralized, inner city locations in Erie to job sites located in the suburban and rural communities where jobs are available to low-income workers, but transportation is not available. Workers would qualify if their income is 150 percent of the poverty level, or they are recent recipients of Welfare within the past three (3) years. They also needed to be employed, or have offers of employment. They would be picked up at sites in Erie's inner city and transported to industrial labor/manufacturing sites.

Paragraph 8

Plaintiff had presented this program to GECAC (his portfolio) in 2000, requesting Defendants' assistance in preparing a proposal for government grant. The Defendants (GECAC Workforce Management, Career Link of Erie County, Erie Count Assistance Office) provided my business development plan (as their own, without my knowledge) conspiring to keep the program within the poverty level and committed violation of the Fair Labor Act and obtained liability insurance, committing a Corporation Act Violation and violation of Unfair Welfare Act.

Paragraph 9

The GECAC Workforces Transportation Program was established in late 2001. They are working with Labor and Manufacturing, the same companies I had contacted in 2000 to utilize my program, and whose names I had given to GECAC and said parties in my presentation on working with contracts.

Paragraph 10

The Defendants use the welfare office to keep the liability premiums down, working along with the insurance company to qualify candidates under 150% poverty level or candidates who have been recent recipients of welfare within the past 3 years. In doing so, they are in violation of the Corporation Act and also in violation of the Poverty Level Act.

Paragraph 11

This Civil Action Complaint asserts that assets GECAC Transportation Services has been working with Career Link, The Erie County Assistance Office and local employers to plan this service on the grounds of getting funding for operation, vehicles and employees. GECAC initiated this service. CH's Service Provider seeks total control of all property rights for this service and total control of the services. CH's Service Provider/Owner plan to transport workers who qualify from several centralized inner city locations in Erie to job sites located in the suburban and rural communities, where jobs are now available to low income workers, but transportation has not been available.

Paragraph 12

GECAC prevented Corey Harris/CH's Service Provider from operating as an entrepreneur/recipient of charitable contributions.

Paragraph 13

Plaintiff is seeking total grants and ownership of job access program presently under the GECAC Workforce, funded by the U.S. Department of Transportation (DOT), Federal Transit Administration (FTA) and the PA Department of Community and Economic Development (DCED) to operate this service, which is called Job Access. Plaintiff is seeking lost income and deductions from tax years 2001 to present.

REQUEST ALL DOCUMENTS AND RECORDS BE MADE AVAILABLE TO PLAINTIFFS TO ASSURE THAT THIS PROCESS BE DONE IN A SAFE AND PROFESSIONAL MANNER.
